

## "Introducing Net Assessment"

**Categories :** [Government](#), [Publications](#), [U.S. Strategy](#)

Originally posted on War on the Rocks. Listen to the full podcast [here](#).

“In the first episode of this bi-weekly series, our hosts introduce themselves and their hopes for this podcast. They tackle this episode’s featured article, Adrian Lewis’ “The Ivory Tower and Academic Ignorance of What the Armed Forces Actually Do,” published by Task & Purpose. They also discuss the role of American seapower and, of course, Twitter feuds.”
